Principals Report

Welcome to week 8!

Our annual science night will be held tomorrow, at 6pm. Everyone is invited to join us, for a fun evening of science fun.

Our swim school came to an end last week. It was amazing how much our students learnt over the 5 weeks. There are some photos of our swimmers at the end of the newsletter.

Tomorrow afternoon we will have a visit from the Beach to the Bush group, who have a special presentation for us about staying safe at the beach.

To go into this she needs to fundraise and she is doing it for a family in Uralla. The Oxley Family they have two young children with a disability.
