Principals Report

Welcome to term 3! Everyone has settled nicely into 2015. We have a fun but busy term ahead of us. We have been learning about ANZAC day, and are currently working on an ANZAC exhibition for the Armidale show. We had great success at last years show, and we are looking to do even better this year. We are having a strong focus on improving our school work at the moment. Everyday we are talking about doing our best, then identifying ways of pushing ourselves to do even more. Already our students have surprised themselves with how well they can do when they really apply themselves. I have been very proud of all of them. Have a great week three!
