- Tuesday: Stephanie Alexander kitchen garden
- Tuesday (alternate): Play Group
- Tuesday (alternate): Assembly
- Wednesday: Student Banking
- Wednesday: Piano Lessons
- Wednesday: Library
- Wednesday: School Lunch
- Friday: School Lunch

Principals Report

Welcome to week 2!
Everyone has settled nicely back into school. We are all looking forward to our swimming carnival next week, where we are hoping to show off some wonderful Chandler swimming talent!
In cooking this term, we will be looking at making some jams and some preserves. If anyone has any spare jars at home, we would love them! The quality of the soil in our garden is not great - if anyone has any manure they could donate that would be great.
Thank you, Mel Wood
Principal

Assembly

Assembly will be on tomorrow, Tuesday 9th February. The infants class will be hosting assembly, and will be performing an item. Merit awards and Book awards will be presented at this assembly. Everyone is welcome to attend our assembly, which will be held in the kitchen.
P&C Fundraiser
The Chandler P&C will be running the BBQ at two sales at Jeogla this term. They will be on Wednesday 17th February, and Wednesday 16th March. We currently need more volunteers to assist with the BBQ’s on both days. If you are able to help on either or both days, please contact the school. Thank you to those people who have already contacted the school to donate their time.

Swimming Carnival
The Snow Gums Learning Alliance Swimming Carnival will be held on Monday, 15th February, at the Guyra Swimming Pool. Please note that there will be no hot food at the pool kiosk, due to electrical work being conducted at the pool. Everyone will need to bring a packed lunch on the day. The pool is indoor, so the carnival will go ahead regardless of the weather.

P&C Meeting
There will be a P&C meeting on Tuesday, 9th February in the Chandler library. There will be an AGM held at 6pm, with a normal meeting held immediately after. Everyone is welcome to attend.

Headlice
Unfortunately we have had two cases of headlice to begin the year! Can all parents check their children’s hair please. If children do have headlice, they can return to school as normal as soon as it has been treated. I know that head lice can be difficult to treat, and I thank all parents for their perseverance and patience while we eradicate lice from our school.

School lunches
Last week was the first week of our new school lunch program. This program is designed to assist in a financial literacy program for our senior students, as well as offering a yummy lunch option for our students twice per week. All students have an order slip in their homework folders. Lunch can be ordered on the day, or the day before (to assist with catering). Any profits made from the school lunch program will go towards buying ingredients for our weekly cooking lessons.

Stephanie Alexander Kitchen Garden Program
In our first week of cooking we made Japanese omelete, which we enjoyed with some fresh garden greens!

Ingredients:
- 6 eggs
- 1 tablespoon Soy Sauce
- ½ teaspoon Sugar
- Splash of milk.

Process:
1. Whisk all ingredients together in a large mixing bowl.
2. Heat frying pan to medium/high.
3. Pour 1 cup of egg mix into the frying pan. Cook for one minute, then lift half of the omelete off the frying pan, before folding it over onto the remaining omelete.
4. Cook for one minute, then flip.
5. Repeat the folding process.
6. Remove from heat, cut into small pieces. Serve with soy sauce and fresh garden vegetables.

Enjoy!
